

Australian Government
Australian Security Intelligence Organisation

Think before you link

Stay safe, remember the four **Rs**

- R**ecognise — the profile?
- R**ealise — the potential threat
- R**eport — to your security manager/adviser
- R**emove — them from your network

For more information, talk to your security manager/adviser or visit: www.asio.gov.au or www.cyber.gov.au.
