

Remember the four Rs

Recognise

the profile?

Realise

the potential
threat

Report

to your security
manager/adviser

Remove

them from
your network

When reporting, don't forget to include:

- URL of the profile
- a screen shot
- why you think the approach is suspicious
- any other relevant details

For more information, talk to your security manager/adviser or visit:

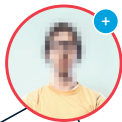

www.asio.gov.au or www.cyber.gov.au
